Dear Fr David,

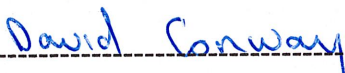

Sincere thanks for your kindness and hospitality to Fr. Maurice Shortall when he preached in your parish recently. Thank you for sending on the envelopes which amounted to **£431.00** and we also received **€30.00**. We greatly appreciate your help and co-operation.

The **Total** envelope collection from **Loughshore Parishes** amounted to **£1,621.00** and the total amount in **Euros** was **€85.00** which was very good indeed. We are most thankful to you and indeed the very generous people for their faithful support.

The Preaching in the **Diocese of Down & Connor** is going very well with a very good response. Fr. Maurice enjoyed his visit to your very welcoming Parish of **Loughshore Parishes**. Again please convey our deep gratitude to your very kind parishioners.

Once again I thank you most sincerely for your great hospitality and your generous support of our Missionary work and thank you too to Bronagh. I wish you every blessing and peace.

Your sincerely,

(Fr.) David Conway C.S.Sp.
