3rd September 2023

22nd Sunday of the Year

THE SEASON OF CREATION is marked throughout the Christian world from 1st September to 4th October (Feast of Saint Francis of Assisi) and celebrates the joy of creation as well as encouraging awareness – raising initiatives to protect the natural environment. Pope Francis calls us to be just in every situation, to harmonise with creation and to be mindful of the victims of climate injustice.

This year's theme highlights that, by doing a little to care for our water supply – our local streams and rivers – each of us can also contribute to the flow of justice and peace in our world and so renew our relationship with creation.

We pray that our efforts to promote climate justice may continue to flow together as a source of life for our Church and for our common home.

FUNDRAISING FOR THE NORTHERN IRELAND HOSPICE

Peri Mullan is undertaking the final stage of the Camino de Santiago to raise funds for the Northern Ireland Hospice.

“Finally, after a few setbacks, I will complete the final stage of the Camino de Santiago starting on 4th September walking from Molinaseca to Sarria and then Santiago to Finisterre - where the sunset disappears over the Atlantic Ocean. Total of 220 kms. This walk is very personal as I'm remembering Angela Smyth (nee Rogers) who sadly passed away a few weeks ago. I also want to remember deceased parishioners of Loughshore Parish and plan to have a Mass said on the journey.

In their memory, I'm raising funds for the NI Hospice as a thank you for the care of those in the later stages of life. Any contribution you could make to help, no matter how small, would be gratefully received.
