

MUSICIANS FOR CHURCH CEREMONIES

This is a list of musicians who can be booked for church ceremonies. They can advise on the music allowed at church ceremonies and help you choose what is appropriate for your ceremony.

Music played in the church should be RELIGIOUS MUSIC ONLY reflecting the sacredness of the building. If you wish to have a 'favourite song' played during the funeral rites, it could be played in the home before the coffin leaves for the church – this is often more practical and personal. If there is a cremation, a 'favourite song' can be played at the crematorium.

Please be aware that they may charge for their service and this should be negotiated at the time of booking. This is not a definitive or complete list but has been put together to help.
